

Supplemental Amendment Under 37 C.F.R. § 1.116
10/015,563

Atty. Docket Q67758

REMARKS

In the March 2, 2004 Advisory Action, the Examiner stated that the February 13, 2004 Amendment did not place the application in form for allowance because the Examiner considers that the specification and drawings contain new matter. Solely to advance prosecution of certain embodiments of the invention claimed in the present application, Applicants have canceled Figure 12A, and the portions of the specification that describe Figure 12A. Applicants have also canceled claims 7-9. Applicants reserve the right to prosecute other embodiments of the present invention in a continuation application.

Accordingly, Applicants believe that the application is in form for allowance, and kindly request the Examiner to pass the application to issue as quickly as possible.

If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
